All statements, other than statements of historical fact are, or may be deemed to be, forward-looking statements. Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Bidco and Patron Capital and (as relevant) Punch and Heineken about future events, and are therefore subject to risks and uncertainties which could cause actual results, performance or events to differ materially from those expressed or implied by the forward-looking statements. The forward-looking statements contained in this Announcement include statements relating to the expected effects of the Transaction, the expected timing and scope of the Transaction, and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "plan", "expect", "budget", "target", "aim", "scheduled",

"estimate", "forecast", "intend", "anticipate", "assume", "hope", "continue" or "believe", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. None of Bidco, Patron Capital, Punch or Heineken can give any assurance that expectations reflected in the forward-looking statements will prove to be correct. By their nature, forward-looking statements involve risks (known and unknown) and uncertainties (and other factors that are in many cases beyond the control of Bidco, Patron Capital and/or (as relevant) Punch and Heineken because they relate to events and depend on circumstances that may or may not occur in the future.

Readers are cautioned not to place undue reliance on these forward-looking statements. Other than in accordance with their legal or regulatory obligations (including under the Takeover Code) the members of the Punch Group, the members of the Heineken Group and the members of Patron Capital are under no obligation and undertake no obligation, and expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

There are several factors which could cause actual results to differ materially from those expressed or implied in forward-looking statements. Among the factors that could cause actual results to differ materially from those described in the forward-looking statements are changes in the global, political, economic, business, competitive, market and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or dispositions.
