

On the evening of the 1st April 2004, Westminster City Council granted planning permission to Patron's Covent Garden scheme for a two story roof extension, and a change of use so the building can be refurbished and built-out into a ground breaking luxury 65,000 SF student residence.

The next step is to determine and finalize our position with LSE (either tied or independent) as well as to finalize the remaining terms for the build contract.
