## Patron Capital receives triple shortlisting at Better Society Awards 2022

Patron Capital, the pan-European institutional investor focused on property-backed investments, has been shortlisted at the Better Society Awards 2022 in three categories: Partnership with a National Charity, Impact Company of the Year, and the Innovation Award.

The annual Better Society Awards, organised by the Better Society Network, celebrate the efforts that commercial organisations make to create a better society. Patron has been shortlisted in the Partnership with a National Charity category for its long-term partnership with RMA – The Royal Marines Charity (RMA-TRMC). The partnership has been ongoing since 2010, and is focussed on helping RMA-TRMC beneficiaries establish stable, healthy lives after service, as well as offering support to veterans with mental health issues.

Patron was also shortlisted for Impact Company of the Year and the Innovation Award. Both of these shortlistings are in recognition of the work of Patron's Women in Safe Homes fund, managed in partnership with Resonance. The fund is believed to be the world's first gender-lens property fund and was created as a solution to the lack of affordable, safe and secure homes for women who are experiencing or are at risk of homelessness, are ex-offenders, survivors of domestic abuse or have other complex needs. Patron aims to provide 650 affordable homes for over 6,000 women over the fund's lifetime.

The Better Society Awards will be held on 11 May 2022 at the London Marriott Hotel, Grosvenor Square.

**Keith Breslauer, Managing Director of Patron Capital, said:** *"I am extremely proud of Patron for this triple shortlisting. Our long-standing partnership with RMA – The Royal Marines Charity is fundamental to our company ethos – to do social good with every business action – and informs many of our day-to-day activities. Likewise, the success of Women in Safe Homes fund is the result of the team's creativity and commitment; we have worked hard to create a fund that delivers strong returns whilst also making a real difference, by partnering with women's sector charities. Congratulations to all the other finalists and I look forward to finding out the winners in May."*
