“The wall is growing

Doors and windows are near to be finished as usual we are very fast”

**“Today together with Dalbhat we had very good tomatoes form our Earthship green house.
We also fixed the pipes in our Garden because now is dry season and the ground is thirsty of water.”**

“Stone makers start to dig and prepare the foundation of guest hostel and carpenter team changed roof of the kitchen. the girls are working in vegetable garden and picking milets and gardening in the cabbage and green Parsleys different field”
