## **Patron Capital shortlisted at European Pensions Awards 2022**

Patron Capital, the pan-European institutional investor focused on property-backed investments, has been shortlisted for Property Manager of the Year at the European Pensions Awards 2022.

The European Pensions Awards were launched to give recognition to and honour the investment firms, consultancies and pension providers across Europe that have set the professional standards in order to best serve European pension funds. The Property Manager of the Year category highlights the managers that have proved themselves in the field of property investment, shown innovation in their product offerings and have displayed an excellence and consistency in their management of this diverse and exciting asset class.

With impressive acquisitions, several highly profitable exits - including the sale of 100% of its share capital in Vine Acquisitions Limited, known as Punch Pubs, to Fortress Investment Group - and continued efforts to support charitable causes, Patron has had an exceptionally strong year. Patron continues to secure strong returns from its investments, demonstrating its ability to identify investment themes with long-term growth potential and add value through proactive asset management.

Patron has raised over €4.3 billion of equity across several funds and related co-investments. Combining exceptional investment performance with a social conscience and an unrivalled programme of charity-focused investments and extra-curricular activities, Patron has developed a reputation for giving back to the community. Patron is a leader in advancing responsible and social impact investing: in December 2020, it launched the Women in Safe Homes fund, alongside Resonance. The fund, which has already raised £26m, is believed to be the world's first gender-lens property fund. It has a target size of £100m+ and, over its lifetime, aims to provide 650 homes across the UK for women at risk of homelessness.

The European Pensions Awards will be held on 7 July 2022 at the London Marriott Hotel, Grosvenor Square.

**Keith Breslauer, Managing Director of Patron Capital, said:** *"It is an honour to receive this shortlisting from the prestigious European Pensions Awards. Patron has had a remarkable year, securing strong investments and strategic partnerships, alongside immense success of Women in Safe Homes fund. We are proud that Patron's core ethos of doing good with every business action, by supporting incredible charities, coincides with exceptional business performance."*
