

## Proud Sponsors of ex- Royal Marine Jon White

*If you are not already familiar with his name, Jon White is an inspirational speaker, leadership consultant, property developer, and talented kayaker who is currently training for the 2024 Paralympic games.*

*Jon grew up amongst the Royal Marines, his father – John – served for 25 years and from a young age Jon decided he also wanted to be a Royal Marine. During Jon's final military command, whilst on patrol in Afghanistan, he stepped on a Pressure Plate Improvised Explosive Device and lost three limbs.*

*Since June 2010, Jon has been on the road to recovery, continually seeking new challenges and proving that a strong will and sharp mind can overcome almost anything!*

*Patron is an extremely proud sponsor of Jon's and we very much look forward to watching his training updates and following him on his journey to the Paralympics games!*
