Patron Capital shortlisted at the HealthInvestor Awards 2024

Patron Capital, the pan-European institutional investor focused on property-backed investments, has been shortlisted for Private Equity Investor of the Year at the HealthInvestor Awards 2024.

Patron began investing in the UK healthcare and retirement sectors in 2011. Since then, Patron has invested in several businesses in the sector, including Badby Park Group, a specialist neurorehabilitation and complex care provider; Hamberley Development, a care home developer; Hamberley Care Homes, a residential care provider; and Inspire & Hamberlery Neurocare, specialist neuro care providers.

What sets Patron apart from its competitors, is its commitment to supporting healthcare companies and teams that adhere to an ethos of person-centred care, as well as its consistent delivery of high-quality and well-invested properties.

The winners will be announced on 5 June 2024 at the awards ceremony, which is taking place at the Grosvenor House Hotel, London.

Keith Breslauer, Managing Director of Patron Capital, said:

"I am proud to see Patron shortlisted at the HealthInvestor Awards for the fourth year in a row. We have been investing in healthcare for well over a decade and it is exciting to see the progress the sector has made in terms of the level of person-centric care on offer. We work hard to be at the cutting edge of healthcare, developing exceptional care homes, whilst also looking for opportunities that deliver attractive returns to our investors."
