Patron sponsor (and climb!) Rock 2 Recovery's annual Ben Nevis adventure

This weekend, a 5-person team from Patron joined 140 people to climb Ben Nevis. After 12 hours, 21KM covered, 29,000 steps, 1500M altitude gain and 450 flights of stairs, the Patron team alongside all the awesome fundraisers completed the gruelling climb. The event was fully sponsored by Patron so that participants can raise needed funds for the charity. Everyone involved had a great time, it was an amazing success and helped raise over £20k for an inspirational charity.

Well done to all and huge thanks to the team from Rock2Recovery led by Jamie Sanderson, Jason Fox and a team of Royal Marine mountaineers and medics.

Rock 2 Recovery's mission is to save and change the lives of those in our Armed Forces, our Veteran community & their families who are affected by stress. This service is provided free of charge for all, and they rely heavily on donations to ensure the service can continue to run.
